

At ELWA, we are working on the urgently needed implementation of decarbonization in industrial companies with our technologies and products manufactured in-house. As one of the world's leading specialists in the electrical heating of fluids in industrial applications, we want to contribute to sustainable rethinking. We are proud of this contribution and every project we implement, and we stand confidently behind our product portfolio. The challenge of converting our customers' thermal processes from fossil fuels to electric heating is what drives us and connects our employees with our sustainable mission.

We would love to have you join our mission of decarbonization.

We are looking for you as:

Mechanical engineer (m/f/d)

These tasks await you:

- You create detailed technical drawings, test instructions and parts lists for our products
- You are the technical contact person for sales, our customers and our suppliers
- By drawing up comprehensive technical specifications for design, production and purchasing, you will further optimize the development processes
- You will support the creation of technical documentation in accordance with the Machinery Directive

You will need the following:

- Degree in engineering, mechanical engineering (specializing in design), mechatronics or a comparable qualification
- Solid, hands-on experience in the design of fixtures and instrumentation, ideally in the field of pressure vessels or heat exchangers
- Knowledge of setting up parts lists with an ERP system
- Basic experience in working with 3D CAD software, ideally Autodesk Inventor
- Customer-oriented and solution-oriented thinking and ability to work in a team
- Written and spoken English

➔ **Your benefits of working with us are on the next page!**

This is what we offer you:

- 30 days vacation
- Flexitime with the option of overtime compensation without shift work
- Voluntary company pension scheme and allowance over and above the statutory minimum
- Benefit shopping card with monthly credit- Canteen lunch
- Kindergarten allowance
- Work clothes with company logo
- A permanent position

We look forward to getting to know you!

Send us your CV to bewerbung@elwa.com or simply send us your telephone number and name. We will then call you back!
